To Whom It May Concern:

This is to certify that Mr. PU JUNFU (student ID: BA17006021) is a doctoral student in University of Science and Technology of China (USTC). His stipend is ¥3450 per month as a research assistant. At the invitation of organizer committee of the 2018 International Joint Conference on Artificial Intelligence, and European Conference on Artificial Intelligence (IJCAI-ECAI 2018) in Stockholm, Sweden, to be held from July 13 to July 19, 2018, he will go to Sweden for this conference and stay for 9 days or so. We ensure that he will come back to China on time. The expense for him during the period of the conference will be financed by USTC.

This letter also serves as a sanction from our university for visa purpose. Any convenience from you to help him get the visa will be appreciated.
